NEXT PRESIDENT MAY BE NAMED BEFORE ELECTION

8,000 Rexall Druggists Take
Straw Vote.

VOTERS COME FROM ALL RANKS

Poll of Over 2,500,000 Covers
Every State.

The results of the November election and the name of the next President of the United States may be published in The Herald before the polls open. This announcement is made by the National Association of Rexall Druggists, whose members, numbering over 8,000, are now taking a straw vote of over 2,500,000 people from all walks of life, and covering every State and Territory in the Union. By special arrangement with Matthews Drug Co., a member of the Rexall Association in Dickson, the result of the straw vote will be published in this newspaper.

The fact that the members of the Druggists Association operate stores in towns and cities ranging in population from 100 to 6,000,000, and scattered all over the country, and that they serve a public comprising all classes, agricultural, industrial, commercial and professional, gives to this poll a representative character.

This straw vote is the largest ever taken and the first of its kind to be conducted by a national commercial organization, but the drug men have perfected a system for receiving and recording the ballots that is equalled in scope only by that of the national government. From their headquarters in Boston--the United Drug Company--the 8,000 members of the Rexall Druggists' Association are supplied with the returns. These results are mailed or telegraphed to Boston at the close of business each day. At the Association headquarters the ballots are tabulated, and the final vote will be placed in the hands of the 8,000 Rexall druggists before election day for simultaneous publication in the Rexall stores and in the leading newspapers of every city and town in the United States.

OBITUARY.

Last Tuesday afternoon at three o'clock the Death Angel again stole into our community, taking for its victim one of the fairest flowers.

Etta Dorris Hooper was born January 3, 1903; ascended with the Holy Angel to the blessed home beyond, October 10, 1916, making her stay on earth nearly fourteen years. She was the only daughter of Mr. and Mrs. P. L. Hooper. She was ill only a short time, and although all was done for her that loving hands and skilled physicians could do, God, the supreme ruler of all, saw fit to take her from this sinful world, and as he sounded his trumpet for her, she obediently harkened unto His call.

Dorris was a beautiful Christian character. To her parents she was ever loving and obedient; to her friends and school-mates she was kind, and was loved by all who knew her. She was a member of the M. E. Church.

Her remains were interred in Mt. Liberty cemetery Wednesday, the funeral services being conducted by the Rev. B. F. Heathman of Ashland City. The bereaved family has the sympathy of the entire community, but God alone can comfort them.

"Sleep on, sweet Dorris,
Sleep on in rest;
God called you home--
He thought it best."

—Ruby Scott.
